MINISTRIES

“The following is a direct script of a teaching that is intended to be presented via video, incorporating relevant text, slides, media, and graphics to assist in illustration, thus facilitating the presentation of the material. In some places, this may cause the written material to not flow or sound rather awkward in some places. In addition, there may be grammatical errors that are often not acceptable in literary work. We encourage the viewing of the video teachings to complement the written teaching you see below.”

119 Ministries 2021 Year-End Update

Shalom, everyone!

2021 has been an interesting year in many ways, to say the least! Nevertheless, at 119 Ministries, we remain committed to the mission YHWH has given us to proclaim the Gospel of our Messiah Yeshua and the blessing of walking in obedience to the Torah.

We want to thank you for partnering with us in this effort and also take a few minutes to update you on what we're doing. Your support is making a real difference in the lives of people around the world.

People like Peter F., who has said, “I like the fact that here one can find answers from the Word of the Father. Also it is very important to me that the Bible is used to interpret itself. Also the research that is being presented is absolutely informative. Everything is presented with a Christ like attitude. Never did I feel condemned watching or listening to any of the lectures . Love to learn more from this ministry.”

Or like Lisa A., who has said, “I have enjoyed many of the video teachings and find them overall to be leading towards truth. I have shared many of them with my family and friends. Thanks for all the hard work.”

As we approach the end of the year, we are praying that YHWH would put it on the hearts of our friends and supporters to help us continue this important work. The 119 Ministries team consists not only of our staff and teachers, but also all of you—our friends and supporters!

As you sow into this ministry financially, you are helping us build a worldwide community of believers who are devoted to our Messiah and the Torah.

Will you consider being part of what YHWH is doing through 119 Ministries by making a one-time donation? As we approach the end of the year, right now is a great time to make your tax-deductible gift.

Everything that YHWH has accomplished so far through 119 Ministries was made possible only through your generosity and support.

So what were some of those things?

This year, we built another recording studio to support our recently launched Bible Study series, which consists of verse-by-verse expository teachings through the books of the Bible using a more casual presentation style. This series focuses on just going through the biblical text and providing insights into the historical and cultural context as well as practical application for today. Many of you have requested this type of resource, and we are excited to offer this new teaching content and presentation style.

We've produced over 73 high-quality video teachings this year! Some of these teachings include: What is Salvation, Testing KJV Onlyism, and your Best Life Later. We have fully remastered many existing teachings in our teaching library, such as our popular "What is the Gospel" series, which includes new content, and "The 4th and 7th Day series."

In addition to our regular video teachings, we've continued expanding our Hebrew language course, "Learn Biblical Hebrew with 119 Ministries." These classes go over the basics of reading biblical Hebrew to give people a starting point for digging into this beautiful biblical language. This series has been so popular that we are currently creating the next series of teaching videos.

We are excited that we've been able to offer all of this video content FOR FREE through our website and other platforms. In fact, to date in 2021 alone 119 videos were watched 3.7 million times. We consider it an honor to do this work and provide these resources to the body of Messiah.

As we move forward into next year, we are fervently praying that YHWH will enable us financially to do all that he has put on our hearts to do.

We will continue building our extensive media library, which currently is made up of over 657 videos.

We expect that many will be pleased to learn that we're currently working on a new four-part series on Biblical marriage, divorce, and remarriage titled "One Flesh." This teaching will Biblically define marriage, reveal the instructions surrounding divorce and remarriage, and answer many other common and related questions. Many have been asking for content on this topic for years and after substantial work and study we expect many will be happy with the results.

We are planning on a "Just the Basics" series to cover simple questions related to the Bible and our faith. Questions such as "Who was Abraham?" Or "What is a Menorah?" The series will be a concise summary of the topic, like a dictionary, for those who might be new to the Bible.

Yah willing, we need to update our website. While it will take much labor and resources, there is a lot of opportunity to improve 119's existing website, which will better serve the 119 audience.

Once again, we are blessed to be able to produce all of these teachings and projects for God's glory and the edification of the body.

In light of our growing staff and the needs we have to do all that YHWH has put on our hearts to do, we ask that you continue to stand with us by making an extra one-time donation before the end of the year.

Thank you for watching this short video. Again, we are so grateful for your support and that YHWH has connected us in order to reach the nations with the truth of his Word.

We praise YHWH for supplying our needs financially, and we are looking forward to seeing what He does in 2021. Shalom!

We pray you have been blessed by this teaching. Remember, continue to test everything. Shalom! For more on this and other teachings, please visit us at www.testeverything.net

Shalom, and may Yahweh bless you in walking in the whole Word of God.
